

Dear Parent/Carer,

Re: Supporting your child in the run up to their GCSEs

You will have received your child's mock exams results and their latest predicted grades. We are now into the 'final push' to support students to do their best preparation for their GCSE exams. Shortly after Easter you will receive a copy of your child's exam timetable.

We have reviewed and changed the intervention sessions during term time. The changes we have made are to best support as many students as possible across a range of subjects. You will see there are some sessions before school, at lunch time and after school. We are also making use of form time to revise Science, so your child's excellent punctuality is important.

You will find the overall timetable at the bottom of this letter. Please note that this does not yet include Easter sessions.

Subject teachers have selected students to ensure they are on track and will meet their target grades and, as such, it is highly advised that the students attend their given session or sessions. We have also prioritised the subjects that are most likely to count as one of your child's 'best 8' qualifications, as well as where they may be on a borderline between grades and therefore likely to improve with some intervention.

You will receive a separate email and/or text with the specific session(s) your son/daughter should attend if it is after school. Please make a note of these. The intervention sessions are not open to all students as they are targeted. If you have any queries about attendance to these intervention sessions, please call the school or email jblunden@northstartrust.org.uk

I will contact you again soon regarding sessions over the Easter break, as well as any Saturday sessions.

Yours faithfully,

J Blunden

Deputy Headteacher

	Before school 7.30-8.30am	Form time 8.40-9am	Lunch 12.50-1.15pm	After school 3.30-4.30pm
Mondays	Revision with Mr Barnett E1.6	Science	English	Hist/Geog/RE/Citizenship
