

Dear Parents and Carers,

Re: Year 11 mock examinations starting Tuesday 5th November

I am writing to let you know that the first cycle of Year 11 mock examinations will begin on Tuesday 5th November. Attached to this letter you will find the timetable of examinations for all subjects, running up to Wednesday 20th November. This is on the student's Google classroom, and they will also be given a copy by their tutors on Wednesday 16th October.

All students have revision resources from their teachers to support their preparation and progress at home. They should be planning their time to ensure effective revision across all their subjects. Students need to make good use of resources uploaded onto Google classroom and our range of online revision platforms.

Please support your child to do their best and manage their wellbeing successfully during this period. We would advise a revision timetable shared with family, limited screen time, a regular routine of sleep and exercise. Maintaining excellent attendance and punctuality to school for the mock period is also vital. They should make sure they have the full range of equipment needed for the exams, including calculators.

We have previously shared with you letters from Maths, Science and PE regarding progress in those subjects specifically.

We look forward to seeing your child's progress and seeing you at the Year 11 parents' evening on Thursday December 5th.

Any questions, please do not hesitate to contact your child's form tutor or a member of the Year 11 team. Thank you for your support.

Yours faithfully,

J Blunden

Deputy Headteacher – Raising standards

Week beginning 4th November (A)					
		Tues 5th	Wed 6th	Thurs 7th	Fri 8th
AM	Mon 4th - Inset Day	English Language	Religious Studies: Religion and Themes	Business: Influences of operations	Computer Science 1 / Drama
