

Dear Parent/Carer,

Re: Supporting your child in the run up to their GCSEs

Last term you received your child’s mock results and their predicted grade. We are now into the ‘final push’ to support students to do their best preparation for their GCSE exams.

Below is the intervention schedule for the coming weeks. You will see there are some sessions before school and after school. We are also making use of form time to revise Science & Maths, so your child’s excellent punctuality is important.

I will contact you about sessions in February half term in due course.

Subject teachers have selected students to ensure they are on track and will meet their target grades and, as such, it is highly advised that the students attend their given session or sessions. We have also prioritised the subjects that are most likely to count as one of your child’s ‘best 8’ qualifications, as well as where they may be on a borderline between grades and therefore likely to improve with some intervention.

You will receive a separate email and/or text with the specific session(s) your son/daughter should attend if it is after school. Please make a note of these. If you have any queries about attendance to these intervention sessions, please call the school or email jblunden@northstartrust.org.uk.

Time	Monday	Tuesday	Wednesday	Thursday	Friday
7:30am – 8:30am	Drama	Further Maths		Maths – Mr Vora’s class only	
3:30pm – 4:30pm	Computer Science French Geography History RE	Art Business Studies Design Technology Food Technology French History Sociology Spanish Sports Studies	Business Citizenship Design Technology Drama Food Technology GCSE PE Sociology		Triple Science Combined Science

Yours faithfully,

J Blunden
Deputy Headteacher
