

Dear Parent/Carer,

Re: Supporting your child in the run up to their GCSEs

We are now into the ‘final push’ to support students to do their best preparation for their GCSE exams.

Below is the intervention schedule for the coming weeks. We will continue to make use of form time to revise Science & Maths, so your child’s excellent punctuality is important.

I will contact you about sessions in the Easter break in due course.

Our Core subject teachers have selected students to ensure they are on track and will meet their target grades and, as such, it is highly advised that the students attend their given session or sessions.

You will receive a separate email and/or text the day before your child’s intervention with the specific session your son/daughter should attend. If you have any queries about attendance to these intervention sessions, please call the school or email cdwalters@northstartrust.org.uk.

Time	Monday	Tuesday	Wednesday	Thursday	Friday
3:30pm – 4:30pm	English	Mathematics	Religious Education		Triple and Combined Science

Yours faithfully,

C Davis-Walters
Assistant Headteacher
